Company

Hallmarks: Montage Hotels & Resorts is exemplified by:

- Passionate staff with superb attention to detail who embrace all that is good in life and are dedicated to providing the highest standards of service
- Destinations with unique locations and rich histories, from pristine beachfronts to sophisticated urban enclaves
- Striking architectural detail and carefully selected residential-style décor that reflects the heritage of the destination
- Refined, innovative cuisine of the freshest regional, seasonal ingredients offered in a variety of elegant settings, with award-winning teams of chefs, pastry chefs and more

Company Hallmarks,
Continued:

- Deep appreciation for the art of winemaking, with extensive wine lists and expert sommeliers
- Transforming spa experiences in serene indoor/outdoor sanctuaries that offer an array of holistic therapies with indigenous botanicals and cultural elements, inventive wellness and movement classes and state-of-the-art fitness options, all provided by the industry's most rigorously accredited staff
- Creative lifestyle experiences that teach, motivate and engage the senses, for guests and residents of all ages
- Art in all forms, including special collections and commissioned works that pay homage to each destination
- Spacious, secluded residences that allow homeowners to embrace the Montage lifestyle, complete with exclusive residential concierge services and access to all hotel or resort services and amenities
- Hearts of Montage, the company's grassroots volunteer outreach program formed and led by associates to support their community's most needed areas, from at-risk youth and disease prevention to senior care and environmental stewardship and education
- Strong commitment to responsible environmental stewardship and sustainability
- Respected reputation as a caring and thoughtful employer that views employment as a way to create a balanced life and rewards and encourages excellence
