SHHHH....SPA MONTAGE DIVULGES ITS LIST OF “SECRET SERVICES”

Bridal parties, girlfriend getaways and private after-hours gatherings are some of the lesser-known, yet popular, spa services offered at Montage Resort & Spa

LAGUNA BEACH, CA -- (June 9, 2005) – Located on a prominent bluff overlooking the glorious Pacific Ocean, the award-winning Spa Montage is known for its luxurious understated ambiance, impeccable service, highly trained staff and an extensive innovative treatment menu. There are certain aspects of Spa Montage, though, that even the most inquisitive spa sleuths have not yet uncovered.

Fortunately, the Spa Montage List of Secret Services is now available to discerning spa devotees. An especially attractive “Secret Service” is that arrangements can be made for exclusive use of Spa Montage **After Hours**. There have been many VIPs who will only ‘spa’ in the confines of their own private utopia.

Pure Indulgence is eight hours of treatments, custom-designed by your personal spa therapist. Guests can pick anything off the Spa Montage Menu and a therapist will weave it into a perfect, 8-hour day. **Ceremonial Rituals for the Bride** include personalized treatments designed for the bride to be.

Another secret is **The Gallery** – a beautiful room reminiscent of an ancient Roman spa that accommodates up to six spa guests. For those “in the know,” The Gallery has been booked for bridal showers, girls’ weekends, or just friends who like to celebrate together with wraps, scrubs, baths and massage.

For more information about “Secret Services,” call Spa Montage at 1-866-695-6669.

For friends, bridal parties and anyone interested in making their own memories, Montage Resort & Spa offers a “**Montage Memories**” package that includes one night in a 2-bedroom suite, breakfast and a day at Spa Montage (spa manicure, pedicure, and a 1-hour massage). Based on three people per package, the price is \$2,690. Each additional person is \$445; six people maximum. Each two-bedroom suite includes one king bed, two queen beds, and one pullout sofa. Includes taxes and gratuity.

A recipient of the 2005 Mobil Five-Star Award, Spa Montage is the first spa ever to achieve the coveted rating from Mobil Travel Guide. The 20,000-square-foot oceanfront spa features separate men’s and women’s locker facilities with steam baths, saunas, whirlpools and cold plunge; 21 treatment rooms; a movement studio and workout area with state-of-the-art equipment.

With sweeping panoramas of the Pacific Ocean and striking craftsman-style architecture, Montage Resort & Spa is situated on 30 lushly landscaped acres in the heart of the picturesque arts community of Laguna Beach. Opened in February 2003, the luxury 262-room resort offers: elegant beachfront accommodations; Spa Montage; three sparkling swimming pools; destination dining -- including Studio, the resort’s signature restaurant; and a museum-quality collection of fine art.
